# Third Meeting of the EURISCO Advisory Committee

7 July 2021, 15:00 – 17:30
On-line Teams meeting

## Draft agenda

<table>
<thead>
<tr>
<th>Time</th>
<th>Activity</th>
<th>Description</th>
</tr>
</thead>
</table>
| 15:00 | Welcome and introductions                                               | Chair opens the meeting and welcomes the participants  
Participants introduce themselves briefly                                                                                                     |
| 15:10 | Review and adoption of the agenda                                      | Agenda is reviewed, modified when needed and adopted                                                                                          |
| 15:15 | Report on EURISCO activities since the previous meeting                 | EURISCO coordinator sketches the main activities and developments  
AC members ask questions and comment                                                                                                          |
| 15:45 | Scope of EURISCO: what should be included?                              | Short introductions from EURISCO Coordinator and/or Chair  
AC Members discuss  
15:45 In situ material (CWR and on-farm)  
16:10 Single Seed Decent lines and other ‘derived material’                                                                                     |
| 16:35 | Phenotypic data in EURISCO: status and plans                            | EURISCO Coordinator gives overview of the situation  
AC members give short feedback                                                                                                                  |
| 16:50 | Standardized ordering system                                             | EURISCO Coordinator and/or Chair introduce the topic  
(includes technical feasibility, implications for PGR availability and updating frequency)  
AC Members discuss                                                                                                                                  |
| 17:15 | Operation of Advisory Committee                                         | Composition (incl. Chair), communication, activities and frequency of meetings                                                                 |
| 17:30 | Closing                                                                 | Chair closes the meeting                                                                                                                  |
