

## Appendix I. Current level of safety-duplication of Cucurbit collections in Europe

(last updated 31/05/2011)

Country	Holding institute	Safety-duplication	Long-term conservation facilities	Availability to host black boxes
Belarus	Institute of Vegetable Production, Minsk	0%	Yes	To be discussed
Bulgaria	Institute for Plant Genetic Resources "K. Malkov" (IPGR)	90% black boxes in CGN	Yes	Available
Czech Republic	Crop Research Institute (CRI)	45% in Prague (but 100% of the regenerated material)	Yes	Yes, under bilateral agreement, but only in limited amounts, depending on the sample size
Georgia	Institute of Farming, Mtskheta Tserovani	0%	No	No
Germany	Leibniz Institute of Plant Genetics and Crop Plant Research (IPK), Gatersleben	50% Svalbard	Yes	Yes, depending on available space
Greece	Department of Vegetables, Agricultural Research Centre of Northern Greece (NAGREF), Themi-Thessaloniki	0%	Yes	Yes
Hungary	Research Centre of Agrobiodiversity	66% duplicated only within the same institution	Yes	No
Italy	Istituto di Genetica Vegetale (IGV), Bari	0%	Yes	Yes
Latvia	Pure Horticultural Research Station	Not duplicated, only in Latvian Gene Bank of cultivated plants	Yes	To be discussed with curators of the Latvian Gene Bank
Montenegro	Biotechnical Faculty, Podgorica	0%	Yes	To be discussed
The Netherlands	Centre for Genetic Resources, Wageningen, The Netherlands (CGN)	100% Wellesbourne and Svalbard	Yes	Yes
Poland	National Plant Genetic Resources Centre, Plant Breeding and Acclimatization Institute (IHAR), Radzików	Currently not duplicated	Yes	Yes
Portugal	Banco Português de Germoplasma Vegetal (BPGV), Braga	Not duplicated	Yes	Yes
Russian Federation	N.I. Vavilov Research Institute of Plant Industry (VIR), St. Petersburg	80%	Yes	No
Spain	Instituto de Conservación y Mejora de la Agrodiversidad Valenciana (COMAV), Universidad Politécnica de Valencia	80% in Zaragoza and Madrid	Yes	Yes
Spain	Experimental Station "La Mayora", Consejo Superior de Investigaciones Científicas (CSIC), Málaga	75%	No	No
Turkey	Aegean Agricultural Research Institute (AARI), Izmir	100%	Yes	No
Turkey	Çukurova University, Adana	Planned	No	No
Ukraine	Institute of Vegetable and Melon Growing of UAAS, Kharkov region	30% in other institutions	Yes	Partially
