

AGENDA

Nordic/ECPGR Joint Workshop

Plant genetic resources for food security and ecosystem services
Planning and implementing national and regional
conservation strategies

CWR CONSERVATION STRATEGIES

19-21 (22) September 2016, Vilnius, Lithuania

Overview

(Green: common sessions; Blue: ECPGR only sessions; Yellow: Nordic only session; No colour: associated meetings)

Time	19 Monday September		20 Tuesday September		21 Wednesday September		22 Thursday September	
	ECPGR	Nordic	ECPGR	Nordic	ECPGR	Nordic	ECPGR	Nordic
AM 9-11	ECPGR in-country reports on CWR conservation		National and regional CWR conservation strategies		Ex situ conservation and integration with <i>in situ</i> conservation		ECPGR discussion on post-workshop activities, horizon scanning	Nordic project meeting (project group only, 9-12)
AM 11-13					ECPGR discussion session on integrated CWR conservation strategies	Nordic discussion session and summing up		
	LUNCH		LUNCH		LUNCH		LUNCH	
PM 14-16	Introduction and policy context		Discussion session		Field trip to Trakai Historical National Park			Meeting of the Nordic and Baltic National programs (13-17)
PM 16-18	CWR conservation planning							

Monday 19 September

Session for the ECPGR group

	ECPGR session	Chair: Nigel Maxted / Juozas Labokas
09:00	Introduction into the session	Juozas Labokas
09:05	Overview of events within ECPGR (14th mid-term Steering Committee meeting, surveys of chairs etc.)	Chair of the WG Nigel Maxted / Member of the ECPGR Steering Committee
09:15	In-country Report Albania	Alban Ibraliu
09:30	In-country Report Belarus	Safiya Dmitrieva
09:45	In-country Report Bulgaria	Katya Uzundzhalieva
10:00	In-country Report Cyprus	Angelos Kyratzis
10:15	In-country Report Czech Republic	Vojtech Holubec
10:30	COFFEE AND TEA	
10:50	In-country Report Finland	Heli Fitzgerald
11:05	In-country Report Germany	Lothar Frese
11:20	In-country Report Lithuania	Juozas Labokas
11:35	In-country Report Norway	Morten Rasmussen
11:50	In-country Report Portugal	Miguel Angelo Carvalho
12:05	In-country Report Turkey	Necla Tas
12:20	In-country Report UK	Nigel Maxted
13:35	Q&A	

Joint session for the Nordic and ECPGR groups

12:45-14:00	LUNCH	
	Introduction and policy context	Chair: Morten Rasmussen
14:00	Welcome to the workshop	Juozas Labokas
14:10	Introduction to the ECPGR project: Background to In Situ WG and H2020 SFS04 2017 application (Farmer's Pride)	Nigel Maxted
14:20	Introduction to the Nordic project "Ecosystem services: Genetic resources and crop wild relatives in the Nordic countries": objectives and goals	Anna Palmé
14:30	The Nagoya protocol – implications on CWR conservation (<i>in situ</i> , <i>ex situ</i> and non-conserved)	Katleena Lohtander
14:50	CWR [in][and] the EU Biodiversity strategy	Jens Weibull
15:10	Combining conservation and use of CWR in Norway	Gaute Voigt-Hanssen
15:30	Q&A	Chair
15:40	COFFEE AND TEA	
	CWR conservation planning (16-18)	Chair: Birgitte Lund
16:00	National and regional conservation strategies – an overview	Heli Fitzgerald, Nigel Maxted

16:20	Prioritisation of CWR species for conservation action	Shelagh Kell
16:40	Climate change and conservation planning	Jade Philips
17:00	Proposed standards for European CWR genetic reserve designation	Joana Magos Brehm
17:20	Draft conclusions from the Nordic CWR project – recommendations for future actions	Jens Weibull
17:40 – 18:00	Q&A	Chair

Tuesday 20 September

	National and regional CWR conservation strategies	Chair: Dainis Rungis
9:00	Protected areas as tools for integrated resource conservation and management in Lithuania.	Algirdas Klimavičius
09:20	ECPGR Concept for in situ conservation of crop wild relatives in Europe	Nigel Maxted
09:40	European CWR strategy	Shelagh Kell
10:00	Development of common Nordic conservation action plan – goals and progress	Heli Fitzgerald
10:20	Regional strategy for the SADC region	Joana Magos Brehm
10:40	COFFEE AND TEA	
11:00	Assessment of the current status of CWR conservation strategies based on Questionnaire data.	Juozas Labokas
	National conservation planning/strategies - Problems and solutions (issues selected based on ECPGR questionnaire, question 13, and other information)	
11:20	Swedish problems of CWR conservation and their possible solution	Jens Weibull, Mora Aronsson
11:30	Obtaining and digitizing georeferenced data	Necla Tas
11:40	Working with biodiversity and other non-PGR stakeholders	Vojtech Holubec
11:50	From planning to implementation	Lothar Frese
12:00	Discussion session 1 on National conservation planning/strategies: CWR Checklist, prioritization, CWR inventories, Ecogeographic data collection, gap analysis techniques, contents of national strategies, <i>in situ</i> and <i>ex situ</i> application, policy, use	All (4 or 5 discussion groups, Nordic and ECPGR participants in separate groups)
13:00 – 14:20	LUNCH	
	Discussion session	Chair: Jens Weibull
14:20	European governance structure for CWR conservation and use	Nigel Maxted
14:40	Linking CWR conservation to use	Lothar Frese
15:00	Introduction to the discussion session	Juozas Labokas

15:10	Discussion session 2 on regional conservation network planning and implementation: European CWR conservation and use planning, linking national to European planning, linking conservation to use, network structure and governance, pan-European implementation, site nomination, indicators and monitoring (incl. coffee and tea)	All (4 or 5 discussion groups, Nordic and ECPGR participants in separate groups)
17:10	Reporting of discussion sessions	Chairs of the discussion groups

SOCIAL DINNER

Wednesday 21 September

	<i>Ex situ</i> conservation of CWR and integration with <i>in situ</i> conservation	Chair: Katya Uzundzhaliyeva
09:00	<i>Ex situ</i> conservation of CWR in the Nordic region	Anna Palmé
09:20	ESCAPE project: "Ex-Situ Conservation of Finnish Native Plant Species".	Marko Hyvärinen
09:40	Ex situ conservation and reinforcement work at the Natural History Museum in Oslo.	Kristina Bjureke
10:00	Combining <i>ex situ</i> and <i>in situ</i> conservation	Miguel Angelo Carvalho
10:20 – 10:30	Closing the general part of the meeting	Juozas Labokas

Separate Nordic and ECPGR sessions after this point

	Nordic session	Chair: Elina Kiviharju
10:40	Introduction to the discussion session	Heli Fitzgerald
10:50	Discussion session focus on <i>ex situ</i> and <i>in situ</i> integration and Nordic issues (Coffee and tea)	All
12:20	Reporting on results of discussions	Chairs of discussion groups
12:50 – 13:00	Summing up and closing the Nordic part of the meeting	Anna Palmé

	ECPGR session	Chair: Shelagh Kell
10:40	Introduction to the discussion session	Shelagh Kell
10:50	Discussion session 3 on integrated CWR conservation strategies with focus on recommendations for population management and monitoring within Network.	All
12:00	COFFEE AND TEA	
12:20	Reporting on results of discussions	Chairs of discussion groups

12:50 – 13:00	Summing up and closing the ECPGR part of the meeting	Shelagh Kell
---------------	--	--------------

13:00 – 14:15	LUNCH	
14:15 – 18:00	Field trip to Trakai Historical National Park	All

Dinner in Trakai at 18:00. There will be a possibility to leave Trakai and go to the airport before the dinner. Estimated arrival at the airport would be 18:00.

Thursday 22 September

Morning

Parallel meetings: ECPGR meeting (ECPGR group only) and Nordic project meeting (Nordic project group only)

	ECPGR session	Chair: Lothar Frese
09:00	Introduction to the discussion session	Nigel Maxted
09:10	Discussion on post-workshop activities including how the results will be documented.	All
09:40	Setting up guidelines for further activities and a creation of monitorable check-list.	All
10:00	Sharing and confirmation of responsibilities for coming activity follow-up.	All
10:20	Summing up the discussion	Lothar Frese
10:30	COFFEE AND TEA	
10:50	CWR Conservation Strategies – the ECPGR context	Lorenzo Maggioni
11:10	Future European and national In situ CWR Conservation	All
11:30	Horizon scanning for CWR conservation in Europe	Nigel Maxted
12:00	Modus operandi of ECPGR In Situ WG	Nigel Maxted

Nordic project group meeting 9-12 (separate agenda)

Afternoon

Meeting of the Nordic and Baltic National programs 13 – 17 (separate agenda)
