Feedback and general discussion

EURISCO training workshop 2023
12–14 September 2023, Plovdiv, Bulgaria

Workshop feedback

- Help us to improve the trainings

  - Amount of information provided?

  - Amount of training provided?

  - What can be improved?

  - Is online training an adequate alternative to physical training?

  - More frequent online trainings on a smaller scale *vs.* larger trainings (less frequent, but physical)?

Discussion

- How to increase the update frequency and coverage of EURISCO?

  - Passport data

  - Phenotypic data

  - What support and/or tools are needed?

Discussion

- Extension of EURISCO data standards

    - Are additional *ex situ* descriptors needed?

    - Is the exchange format for phenotypic data adequate or should it be extended?

        - Would you be willing to provide more comprehensive/fine-granular data?

Discussion

- EURISCO intranet

  - Feedback?
  - Additional use-cases?
  - Additional services needed?

- EURISCO web interface

  - Feedback?
  - Additional use-cases?

- EURISCO extension for in situ CWR data

  - Feedback?
  - Additional use-cases?
